Dear Sir:

Out of an abundance of caution we are resubmitting the Information Disclosure Statement by Applicant filed under 37 CFR 1.98 setting out a U.S. Publication Appln. 2002/0094892 published 07/18/2002 – Chauvin for this filing previously submitted earlier today.

In accordance with 37 CFR 1.07(g), the filing of this document is not to be construed as meaning that a search has been made or that no other material relevant under 37 CFR 1.56(g) exists. Neither does this filing constitute an admission that these references are relevant 'prior art' to the present invention as per 37 CFR 1.97(d).

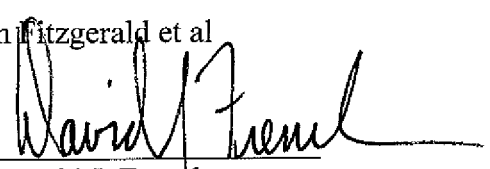

If the Examiner decides not to accept this Information Disclosure Statement, the applicant requests to be so informed.

Please be advised that the official fees of \$180 have already been submitted and deducted from our Deposit Account via an earlier submission today. Any fee deficiencies may be deducted from Deposit Account 503035.

Respectfully submitted,
